

Part-time Multimedia Project Assistant wanted

The HKBU Library is looking for a part-time Multimedia Project Assistant to help the Library create online eLearning materials.

The appointee is expected to work with the Content Developer to support the creation of online Library tutorials using Adobe Creative Suite software.

eLearning materials include, but are not limited, to:

- interactive and animated web content
- short videos
- quizzes

The job requirements include:

- Knowledge of Adobe Flash Professional, with experience creating animated content
- Good design skills, with knowledge of Photoshop and Illustrator a plus
- Experience working in a multimedia authoring environment (to create and edit animations, videos, screencasts, etc.)
- Accountable and deadline-oriented

Work will be conducted on a project-by-project basis at the Main Library (Kowloon Tong Campus) beginning June 2013. Work may be available up to October 2013 for the right candidate.

Interested applicants please send a CV, 2 samples of your design work (at least one of which must be a Flash animation as a .swf file) and a brief letter describing your interest to Ms. Helen Lee at leeml@hkbu.edu.hk on or before **7 June 2013**.
