

Importance of this Course Pack

1. Instead of letting you buying several books and references, your professor has prepared all materials that you will need in this Course Pack, and this saves you time and money.
2. The benefits of this course pack to you are:
 - You can save time in searching and photocopying materials required for the course.
 - You need to pay for only what is necessary for your course.
 - You can possess a copy of the materials legally.

Most published works are protected by the Hong Kong Copyright Ordinance and International Copyright Ordinances. The right to reproduce copyrighted works belongs to the authors or publishers. Copyright fees for this Course Pack will be paid through The Hong Kong Reprographic Rights Licensing Society Limited to the authors and/or publishers.
